

Kidney-friendly recipes

IN conjunction with the 14th Annual Dialysis Meeting 2017 recently, The National Kidney Foundation (NKF) launched the recipe book called *Food Your Kidneys Love* by students of Berjaya University College of Hospitality (BERJAYA UCH).

The 18-page recipe book, available for purchase at RM5, was a result of a partnership between NKF and Berjaya UCH in their healthy cook-off competition. Details at www.nkf.org.my or call 03-7954 9048.
