

More than just mooncakes

Delicious mooncakes are the first things that come to mind when one thinks of the mid-autumn festival. This year, mooncake lovers can gear up for the celebrations while contributing to a good cause by purchasing mooncakes from the National Kidney Foundation (NKF) Malaysia. The proceeds from the sales will be channelled towards the treatment and support of underprivileged dialysis patients as well as funding NKF's efforts to educate the public about kidney disease. In partnership with popular Chinese restaurant Oversea, the options available are Type A (pure lotus paste, lotus paste one yolk, golden emerald one yolk and red bean paste) at RM68 per box or Type B (white lotus one yolk, lotus paste two yolks, golden starlight one yolk, assorted fruits and nuts, green tea with red bean and Shanghai one yolk) at RM88 per box. Purchases can be made via www.nkf.org.my, while collection is at the NKF secretariat office in Section 14, Petaling Jaya.
