

# MOONCAKES FOR CHARITY

THE National Kidney Foundation Malaysia is again partnering with dining establishment Oversea for its annual mooncakes charity project. All proceeds from this initiative will be channelled to NKF in aid of underprivileged kidney failure patients.

The halal-certified mooncakes come in two custom-designed gift boxes. The first is a four-piece set at RM68 while the other is RM88 for a six-piece set.

Purchases can be made online at [www.nkf.org.my](http://www.nkf.org.my). The public can also sponsor mooncakes for NKF patients and their families.
