

# Charity project gives hope to kidney patients

IN conjunction with the Mid-Autumn Festival, which will take place on Sept 24, the National Kidney Foundation (NKF) Malaysia has once again partnered with Oversea for the annual mooncake charity project.

Halal and delightful in flavour, the mooncakes come in two custom-designed boxes in earthy tones depicting elegance, reliability and warmth, all of which are associated with the festival.

The Type A box consists of four 180gm pieces namely Pure Lotus Paste, Lotus Paste with an Egg Yolk, Golden Starlight with an Egg Yolk and Green Tea with Red Beans. This set is priced at RM68 each.

The Type B box brings even more excitement to the taste buds, with six pieces of mooncakes in it — White Lotus with an Egg Yolk, Lotus Paste with Two Egg Yolks, Pure Golden Starlight, Green Tea with Red Bean, Assorted Fruits & Nuts and Shanghai with an Egg Yolk. At RM88 per box, this larger set brings more bang for the buck.

Proceeds from NKF's mooncakes will go towards supporting poor chronic kidney disease patients and raising awareness about kidney diseases.

Every year the NKF subsidises dialysis treatment for 1,600 patients at the foundation's 28 dialysis centres nationwide.

"The annual mooncake charity project is part of our fundraising initiative, which helps us give affordable dialysis treatments to our patients who are in need of financial aid," said NKF CEO Chua Hong Wee.

"With the generosity of the public, the funds will certainly go a long way towards helping us to provide financial relief for the
