Message From Chief Editor

Greetings from the National Kidney Foundation (NKF) of Malaysia.

As we came to the last quarter of 2017, we in the Foundation had begun to see more of our dialysis centres steering towards a warmer and more humanistic approach in interacting with our patients and their families.

To make them feel more at home, as can be discerned from this issue of our newsletter, our dialysis centres have held many get-togethers where there were games, food and entertainment. Goodies and gifts were also distributed. All these were meant to build a sense of belonging for the patients. It is hoped that they would be motivated and that there was more to life than the drudgery of thrice a week, each dialysis treatment session lasting 4 hours.

It is hoped that such events would help to alleviate their "suffering" and allay any depression.

On the other hand, our Foundation had been able to secure accreditation from the Malaysian Qualifications Agency for the 6 month Post Basic Haemodialysis (PBHD) Nursing Programme that has been conducted by our Training Department since 2005.

At the same time, on 25 November 2017 we had in conjunction with our 14th Annual Dialysis Meeting (ADM) the launch of the first recipe book that was a product of a healthy cooking competition. The competition was jointly organised by us and Berjaya University College of Hospitality.

As for the NKF mobile health screening activities, such services were made more pervasive with our health check teams based outside the Klang Valley carrying out their work in the more inaccessible areas in the outstation states of Kedah, Kelantan and Terengganu.

With all the above activities incurring money we had been fortunate that we had been able to receive donations from both individuals and corporate bodies. For these, we thank all our donors.

We wish you happy reading and A Happy & Prosperous 2018.

Cheers!

Dr. Prasad Menon
Chief Editor

Pusat Dialisis NKF – Good Health (Kampung Pandan, Kuala Lumpur) Patients’ Family Day Carnival 2017

On 23 September 2017, Pusat Dialisis NKF -Good Health (Kampung Pandan, Kuala Lumpur) successfully held its Patients’ Family Day Carnival 2017.

It was held in front of the dialysis centre from 10.00 a.m. to 4.00 p.m. with the main objective of uplifting the spirits of the centre’s patients and hence break the drudgery of the monotonous cycles of haemodialysis treatment they have to endure.

Since it was a patient-centred event, the overwhelming majority

of the patients and their families, including children, were present with the full complement of the centre staff in attendance.

Coming on their own, they were at the centre’s grounds where they were served by the centre staff who worked in shifts for the duration of the carnival. Buffet food, drinks and goody bags were provided.

With the passage of time, quizzes and lucky draws were held. All the patients went home with prizes they had won.

NKF's 14th Annual Dialysis Meeting (ADM) 2017

The National Kidney Foundation (NKF) of Malaysia hosted the 14th Annual Dialysis Meeting 2017 (ADM 2017) from 25 to 26 November 2017 at the Istana Hotel, Kuala Lumpur with the theme 'Setting the Right Direction' Holistic Approach of Management for end stage renal disease (ESRD) in Malaysia.

The two-day meeting was a patient-centred approach to dialysis care that attracted over 600 individuals who were provided with demonstrable personal, clinical and organizational benefits through 28 innovative sessions led by notable experts, exciting key note speeches, informative issues and opportunities to network with hundreds of professionals.

Speaking during the opening launch, Dr. Thiruvethiran Thilaganathan, the Chairperson of the 14th ADM Organising Committee mentioned, "As an organization, we are committed to building partnerships and support for our patients. This year's meeting is an opportunity for us to take responsibility to embrace the patient-centred approach that will lead to a better quality of life for ESRD patients in Malaysia".

At the same time, Dr. Thiruvethiran Thilaganathan, who is also the Chairman of the Training Committee proudly announced that on 31 July 2017 the Post Basic Haemodialysis (PBHD) Nursing Programme formally received the accreditation approval from the Malaysian Qualifications Agency (MQA).

The six-month programme is designed for registered nurses with a minimum two (2) years' clinical working experience and three (3) months' experience in haemodialysis and aims to always equip them with the knowledge and competencies to respond effectively to the demands of kidney failure patients.

Mr. Mason Ang Wei Ming officially launching the recipe book with Dato' Dr. Zaki Morad Mohd Zaher, the Chairman of NKF Board of Directors

NKF's Certificate in PBHD has been specifically designed to meet the Nursing Board Malaysia's criteria to ensure that the overall quality of education, training, learning and assessment for the PBHD Nursing Programme is improved and maintained at a consistently high level. With this accreditation, more haemodialysis nurses and their employers will begin to recognise the worth of NKF's Basic Haemodialysis Nursing Programme.

In conjunction with the ADM, NKF also launched the very first recipe book called 'Food Your Kidneys Love' that involved the 5 winning entries of 2nd year culinary students from the Berjaya University College of Hospitality. These students subsequently competed amongst themselves to determine who would emerge the overall winner.

Consequently, Mr. Mason Ang Wei Ming was declared the champion to have the privilege of signing on the front page of the recipe book to symbolize the launching of the 14th ADM.

With 18 pages of resource information and five recipes, copies of the book were distributed first-hand to the delegates during the meeting. The book is also available for purchase at RM5.00 on the NKF's website.

NKF Kota Bharu Health Screening Team In Outlying Kelantan

In the beginning of October 2017, the NKF Health Screening Team based in Kota Bharu carried out a health screening exercise in the “mukims” of the outlying town of Kuala Krai in the interior of Kelantan.

The principal purpose of the health screening was to ensure that the populace in the less accessible areas within the state too is given the opportunity to have their health checked, considering that the state has one of the highest intake of sugar.

With this facility, many of the people would be able to secure preliminary findings as to whether they had high blood sugar, high blood pressure and whether they were overweight,

all of which are leading causes of end stage kidney disease (ESKD).

Through this exercise which entailed readings of the blood pressure, tests on glucose in the blood and checks on body mass together with waist circumference, all of those who had undergone the checks would be accordingly counselled. For those who had readings which differed from the norm, they were advised to seek further medical check-ups at government hospitals and clinics.

Under the leadership of Puan Hasmira Bte Mohd Daud, the team departed from Kota Bharu on 2 October 2017 to head straight to Masjid Al Jauhar, in Guchil, Kuala Krai where its members began the health checks at 10 a.m. until 4 p.m.

The team had to carry out its work until 6 October 2017.

A summary about the team’s operations together with the venues for its operations as well as the number of individuals screened is shown below.

October 2017	Venue	No. of Individuals Screened
2	Masjid Al Jauhar, Guchil, Kuala Krai	68
3	Masjid Al-Isma'il Ar-Rahman, Mukim Kual Kal	65
4	Masjid Mukim Laloh, Kuala Krai	66
5	Masjid Mukim Sungai Pas, Kuala Krai	64
6	Masjid At-Taqwa, Kampung Kubang Lebur, Kuala Krai	56

NKF Northern Mobile Health Screening Team In Southern Kedah

The NKF Northern Mobile Health Screening Team based in Alor Setar, Kedah travelled to the south of the state during 25-29 September 2017 to the towns of Karangan, Kulim and Padang Serai to carry out health screening.

As the journey to these towns covered around 100 kilometres or more, the team led by Puan Siti Afiah Bte Zulkifli had to put up overnight at the largest of these towns – Kulim. It then carried out its screening at 9.30 a.m. to 4 p.m.

The team whose work revolved around readings in blood pressure, tests for urine and blood glucose and assessments of body mass index ended up providing counselling to those who had gone to have their health checked. The counselling included advising those who were overweight and with high readings in blood pressure as well as glucose in urine to go for further medical check-ups in government hospitals or medical centres.

At all the places of health screening, the work of the team was made possible by local co-ordinators who had arranged for the physical facilities and the dissemination of information on the availability of the services. Other than health screening, health talks on kidney care were also conducted in Bahasa Malaysia by Puan Siti Afiah Bte Zulkifli in these towns except for Kulim.

Details of the health screening exercise are shown in the table below.

September 2017	Venue	No. of Individuals Screened
25	Masjid Saidina Umar Al-Khattab Qaryah Padang Meiha, Taman Desa Aman, Karangan	111
26	Masjid Jamek Al-ittihad, Sungai Kob, Karangan	89
27	Dewan Taman Merak, Taman Merak, Kulim	120
28	Dewan Desa Keda, Naga Lilit, Padang Serai	76
29	Dewan Masjid As-Syakin, Kampung Sri Bongsu, Mukim Tera, Karangan	71

NKF Kota Bharu Health Screening Team At “Karnival Pertubuhan Kebangsaan” At Pantai Batu Buruk, Kuala Terengganu

As the NKF Health Screening Team based in Kota Bharu gained greater experience and confidence in conducting health checks, it ventured out on 12 October 2017 from the state of Kelantan to head for Kuala Terengganu to carry its work on 13 October 2017.

With the distance covered by the team led by Puan Hasmira Bte Mohd Daud being more than 160 kilometres, members of the team had to stay overnight on 12 October 2017.

Arrangements for the physical facilities and publicity about the team's health screening activities had been made by an imam, Ustaz Budiman Bin Awan Mat as one of the events at the “Karnival Pertubuhan Kebangsaan” at Pantai Batu Buruk in Kuala Terengganu.

Beginning their operations from 9.00 a.m., the team members worked until 4 p.m., carrying out amongst others tests on blood pressure and in urine as well as glucose in blood and measurements in body mass indices and waist circumferences. These tests and measurements were rounded up with counselling such that those who were found to have results in the readings/measurements beyond the norm were advised to seek further medical check-ups with hospitals and medical clinics for the well-being of their health.

At the end of their work, the team members screened 159 individuals and headed back for Kota Bharu.

High Tea At Utara Coffee House, Armada Hotel

29 October 2017 was a special occasion for patients and members of their families from Pusat Dialisis NKF – Dato' Dr G.A. Sreenevasan (Petaling Jaya).

They were treated to a high tea by staff from the centre headed by the Centre Manager, Cik Siti Fatimah Bte Basir as part of the Family Day celebrations held by the centre.

110 patients and their family members attended the function which was sponsored by the Welfare Department of NKF of Malaysia.

In addition, the Welfare Department came out with the money for the purchases of items to be given to the patients who were lucky enough to win prizes in competitions such as quizzes, best dressed contests and lucky draws.

For the first time, an award was created for the patient who has been dialysing at the centre for the longest length of time. Madam Athilethumi a/p Thannimalay who has been seeking dialysis treatment for the past 22 years was acclaimed the longest dialysing patient of the centre.

In the atmosphere of food and drinks together with fun and games, the gathering was greatly honoured and delighted to be joined by Dr. Shyma Devi a/p K Ramu who is the Person-in-Charge (PIC) of the centre.

NKF Received From Walk2Inspire 17

Following the Walk2Inspire 17 held on 13 August 2017 at the Lake Garden, Kuala Lumpur, the National Kidney Foundation (NKF) of Malaysia became the beneficiary of a money gift that had been raised by the organisers, the People Giving Association working hand-in-hand with the Kuala Lumpur Convention Centre (KLCC) Runners Group.

RM6,285 was donated to NKF from this event.

By organising the event, the organisers' intention was to provide a platform for NGOs to promote a healthy lifestyle amongst the Malaysian citizenry by creating the awareness of exercise, a healthy diet and health checks.

Apart from NKF, six other NGOs too benefitted from the event and each was represented by a representative who shared with the crowd of 300 his/her heart-wrenching story in life.

The affable and ever-smiling Mr. Chin Mun Kit or more well-known as Ken among the staff of the NKF Secretariat where he works part-time and is a haemodialysis patient at Pusat Dialisis NKF – Dato' Dr. G.A. Sreenevasan (Petaling Jaya) told of his 8 year struggle in dealing with end stage kidney disease (ESKD).

In his narration the 56 year old Ken said, "Thanks to haemodialysis, I have a second lease of life, apart from having the freedom to live meaningfully and independently. Although I have to undergo dialysis at least 3 times a week, this inconvenience has caused me to be thankful that I can still go around doing my job and thus enabled me to gladly say that I earn for my 3 meals a day. Let it be known that wallowing in self-pity does not get one anywhere. I live from day to day."

NKF sincerely thanks the organisers for their kind-hearted and generous efforts in raising the funds in helping the Foundation in running its day to day business.

NKF Received RM100,000 From ScamBuster Run 2017

On 15 October 2017 at the end of the ScamBuster Run 2017, Mr. Chua Hong Wee, the Chief Executive Officer of NKF received a mock cheque of RM100,000 from Tengku Datin Paduka Setia Zatashah Sultan Sharafuddin Idris Shah, the Guest of Honour at the Run.

The money was the outcome of the collection from the event which was a fun charity run of 5 kilometres held by the Securities Commission Malaysia with NKF being the sole beneficiary.

The run was organised in conjunction with InvestSmart® Fest 2017 with the objectives to:-

- i) create awareness among Malaysians about the rise in illegal investment schemes;
- ii) develop resistance amongst investors towards scams; and
- iii) ultimately lead to invest in approved investment products in the Malaysian capital market.

Commencing from 7.00 a.m. at Persiaran KLCC (Laman Standard Chartered) the run was participated by more than 3,000 people.

NKF expresses its heartfelt appreciation to the Securities Commission Malaysia for the donation.

Mary Tan's Music Studio Presented 2 Dialysis Machines to NKF

On 10 November 2017, Ms. Mary Tan of Mary Tan's Music Studio in Klang at a ceremony held at Pusat Dialisis NKF – Kelab Apex (Klang) presented 2 dialysis machines worth RM85,000 to NKF.

On hand to receive the machines from her on behalf of NKF was Mr. Chua Hong Wee, the Foundation's Chief Executive Officer. In turn, Mr. Chua Hong Wee presented Ms. Mary Tan with a Certificate of Appreciation for the gift of the machines.

The machines were the result of the fundraising efforts undertaken by the music studio.

Witnessing the hand-over were representatives from the studio, staff members and patients of the dialysis centre and a few pressmen.

NKF is really thankful to Mary Tan's Music Studio for the gift of the two machines in times when potential well-intentioned donors were hemmed in by uncertainty in the global economic outlook.

With regard to the machines, one would be placed in Pusat Dialisis NKF – Kelab Apex (Klang) with the other in Pusat Dialisis NKF -Bakti (Klang).

Yayasan Kebajikan Suria Kawasan Permas Johor Bahru Presented NKF With A Dialysis Machine

On 11 October 2017, a B.Braun Dialog dialysis machine was given by Yayasan Kebajikan Suria Kawasan Permas Johor Bahru to NKF at Pusat Dialisis NKF-Yayasan Pembangunan Keluarga Darul Ta'zim (Johor Bahru).

At the hand-over ceremony, Mr. James Ho, the Secretary & Founding Chairman of Yayasan Kebajikan Suria Kawasan Permas presented the machine to Mr. Chua Hong Wee, the Chief Executive Officer of NKF.

Subsequently, the guests from Yayasan Kebajikan Suria Kawasan Permas Johor Bahru were taken on a tour of the dialysis centre by Dr. Koh Chin Tuan, the Person-in-Charge of the centre, who also briefed them on the operations of the centre.

NKF truly appreciates the gift of the dialysis machine by Yayasan Kebajikan Suria Kawasan Permas Johor Bahru.

Sri UCSI Private School Donated to NKF

On 10 November 2017, the Chairman of Sri UCSI Private School in Subang Jaya, Datin Lily Ng presented a mock cheque amounting to RM 50,707.00 to Mr. Chua Hong Wee, the Chief Executive Officer of NKF during the Sri UCSI Awards and Musical Night.

The generous donation was the outcome from a string of fundraising activities amongst which were the International Understanding Day by Interact Club, Canteen Day, Sports Day, Games Carnival, 3rd Wednesday of the Month Charity Drive and Charity Musical.

Included in the RM50,707

was RM8,248 raised by the Sri UCSI Primary School together with an earlier sum of RM13,138.85 that was received during the Health Awareness Week organized by the UCSI Secondary School.

NKF would like to express its deepest gratitude to the teachers, students and parents for their support in the school fundraising activities to provide aid to the Foundation's poor and needy patients.

AXA Hearts In Action Run 2017

AXA Hearts In Action Run 2017 contributed RM30,000 to NKF on 24 September 2017. Mr Chua Hong Wee, the Chief Executive Officer of NKF was present at the event to receive a mock cheque from Mr Emmanuel Nivet, the Chief Executive Officer of AXA Affin General Insurance Bhd during the prize giving ceremony at the Malaysia Agro Exposition Park Serdang (MAEPS).

Approximately 5,000 runners from both the 12KM & 6KM categories were in colourful running T-shirts to show their support for the five social causes:

- Green (ENVIRONMENT) – to support environmental conservation
- Orange (ANIMALS) – to support wildlife protection
- Yellow (HEALTH) – to support healthy lifestyles and the fight against diseases
- Pink (WOMEN) – to support women empowerment
- Blue (CHILDREN) – to support the fight against child poverty

NKF would like to thank AXA Affin General Insurance Bhd and all parties involved for their continuous support and corporate social responsibility efforts.

Mitrajaya Charity Run 2017

On 8 October 2017, at the end of the Mitrajaya Charity Run 2017, Mr. Chua Hong Wee, the Chief Executive Officer of NKF received a mock cheque for RM15,000 from Mr. Foo Chek Lee, the Managing Director of Pembinaan Mitrajaya Sdn Bhd., witnessed by Mr. Tan Eng Piow, the Group Managing Director of Mitrajaya Holdings Bhd.

The Run was at Padang Semarak in Taman Wetland Putrajaya in Presint 13 of Putrajaya.

NKF expresses its sincere thanks to Mitrajaya Holdings Bhd for the generous gift.

Direct Debit Donor Programme (DDDP) July - September 2017

Our sincere gratitude to all DDDP donors who have supported us through this programme. Your contribution gives hope and provides our patients a second chance to live.
