Chew: Flu jabs vital for high-risk groups

PETALING JAYA: It is vital for everyone especially those in high-risk groups to be vaccinated for influenza, said Deputy Women, Family and Community Development Minister Datin Paduka Chew Mei Fun.

"This is to reduce the risk of getting serious flu complications," Chew said after launching a flu vaccination campaign at the Sungai Way

The campaign provided flu vaccinations for 200 residents of the home, patients of Ping-Rong NKF Haemodialysis Centre, children of Chempaka Welfare Home and Pusat Jagaan Siddharthan.

She also presented a cheque for RM100,000 to Ping-Rong NKF Centre and PJ Haemodialysis Centre from an anonymous donor.
