

# **Kidney disease awareness**

IN conjunction with World Kidney Day on Mar 8, the Malaysian Society of Nephrology and National Kidney Foundation of Malaysia (NKF) have jointly organised several activities aimed at increasing awareness on the prevention and early detection of kidney diseases. The World Kidney Day Walkathon will be held at 8am today at Taman Tasik Titiwangsa, while the World Kidney Day Exhibition, Health Screening and

Children's Art Competition will be held tomorrow at Berjaya Times Square. There will also be a health screening on blood pressure, blood sugar and urine protein at several NKF dialysis centres. It is priced at RM2 and requires participants to fast for at least six hours prior to the health screening. For more details, call 1300-88-3110/03-7954 9048 (Zai/Christina), e-mail [edu@nkf.org.my](mailto:edu@nkf.org.my) or visit [www.nkf.org.my](http://www.nkf.org.my)
