

# Respect your mom by showing your love !

**A**s you all know, Mother's Day is just around the corner. For those of you who forgot, this is the day to honor the woman that brought you into this world. Mother's Day is her special day, and it's your chance to show her how grateful you are for all her affectionate mothering and sweet love over the years. It's your gratitude that has you searching for perfect Mother's Day gifts, and there's nothing better than Bird's Nest.

Bird's nest is well-known as nature's wonder food supplement. It was once the treasured meals of royal family. Through the long years of history, bird's nests gradually become popular amongst common folks.

National Kidney Foundation of Malaysia (NKF) is currently in a partnership with Zhang Jia Birdnest Enterprise (ZJ), whereby 20% off the value of every box of Zhang Jia bird's nest purchased through NKF will be contributed towards NKF's good work among poor kidney patients.

National Kidney Foundation is a non-

profit, charitable organisation with the primary aim of alleviating the financial difficulties of needy kidney failure patients. This year, NKF is tasked with raising RM2.5 million to subsidise dialysis treatment of about 850 poor kidney patients in 19 NKF dialysis centres nationwide.

Zhang Jia bird's nest comes in 2 handy packages. A box of 4-packs (about 100gm per packs) is priced at RM450.00 while a box of 2-packs is priced at RM250.00. Delivery is free within Peninsular of Malaysia. This product is 100% natural and contains no preservatives. It serves a good gift for all occasions.

It is nourishing, helps improve complexion, conditions the lung and lubricates the intestines. Its ability to promote cell revival will also help reinforce one's basic health, giving the necessary boost for the body.

Hence, call NKF at 03-7954 9048 immediately and order this perfect gift for Mother's Day.
