yolks and assorted fruits and nuts. It's sold for RM88 per box.

NKF chief executive officer Chua Hong Wee said those who purchase the mooncakes will be contributing to a worthy cause.

"While many unite with family and friends at this time, we must also remember those who are less fortunate," he said.

Chua said the money raised would

assist NKF in providing dialysis care to its deserving patients.

"NKF relies on the generous support of the public and organisations to assist those with kidney failure and kidney-related diseases.

"Without NKF, more than 1,500 patients would struggle to get the care they desperately need."
