

# Putting birdies for kidneys

**ALL** set to swing for a good cause, the Rotary Club of Damansara announced "The Swing for Charity Golf Event" which will be held in aid of the National Kidney Foundation.

The event, conceived in line with the Rotary Club's International theme for the Rotary Year 2016/17, "Rotary Serving Humanity", is aiming to raise RM 50,000 as a means to attaining dialysis machine for the foundation.

Prior to the launch, National Kidney Foundation chief executive officer Chua Hong Wee said the foundation cares for 1,500 patients through 26 dialysis centres throughout the country and provides subsidised treatment; all of which are generated through fundraising.

"Hence, efforts to help us, and on a larger scale, are truly welcomed with open arms," he said.

Adding to the cause in assisting the

foundation was in the words of club president Anna P. Raj: "This year's cause is very personal to me as I recall the experience that my late father underwent in dialysis. I am grateful that the committee identifies with the cause and we are looking forward to help purchase the machine for the foundation."

The event is anticipated to garner 120 participants and is set to take place on Oct 9 at the Bukit Jalil Golf & Country

Resort with the Minister of Finance II, Datuk Johari Abdul Ghani, teeing-off.

Registration is now open with the entrance fee at RM 2,000 nett per flight. The event is anticipated to attract 120 participants and registration closes on Sep 26 at 6pm.
