BCWA gets support from The Store

KUALA LUMPUR: The Store Sungai Buloh recently made donations to charitable organisations while also picking the winners of their Christmas and Chinese New Year rewards.

A total of RM102,000 collected through The Store Group Charity Campaign, which was held from June 2011 to Jan 2012, was handed over to the Breast Cancer Welfare Association (BCWA).

The Store Group central region assistant director, Ho Eng Wah, thanked those who donated to the cause.

“We believe that this donation will help BCWA to continue their mission and vision for the community,” he said.

A nationwide charity campaign to promote the cause of National Kidney Foundation was also launched that day.

Winners of the Christmas and Chinese New Year Rewards contest were picked randomly.

Two first prizes of Nissan Livina X-Gear 1.6L were won by Lee Siew Li and Wong Swee Hong from Johor.

The grand prize winner of a Nissan Grand Livina 1.6L was Lie Yuen Fah from Sabah.

“We received more than three million entries from 72 outlets nationwide. The overwhelming response was very encouraging and we will continue to organise more rewarding contests,” said Ho, who also thanked partners Hong Leong Bank and Edaran Tan Chong MMotor Sdn Bhd.

Those who submitted their entries for the contest can visit www.tstore.com.my or the Facebook page for the complete list of winners.
