

Nephrology pioneer award winner

NATIONAL Kidney Foundation of Malaysia chairman Datuk Dr Zaki Morad Mohamad Zaher has been awarded the prestigious International Society of Nephrology (ISN) Pioneer Award 2015 for the Oceania and Southeast Asian region.

The award recognises individuals who have made outstanding and sustained contributions to the establishment and development of nephrology in various emerging regions of the world.

The award was announced at the ISN's World Congress of Nephrology held in South Africa in March. It was presented in Kuala Lumpur in September during the International Society Hemodialysis Conference in Kuala Lumpur.
