**ENCORP STRAND MALL, KOTA DAMANSARA**  
**SUNDAY | 29 MARCH 2015 | 8am - 11am**

The Dance Marathon 2015 organized by the National Kidney Foundation of Malaysia (NKF) in conjunction with World Kidney Day 2015 is an event in which 500 participants will be dancing together from 8.00 am – 11.00 am in Red Carpet Avenue of the Encorp Strand Mall. Professional dancers from the famous "Celebrity Fitness" gymnasium will be leading the participants.

The objective of this event is to encourage members of the public to come forward to exercise through dancing and to do it for good cause i.e. to raise funds for poor kidney failure patients under the care of NKF.

There will be no winners for this event. This event is to raise funds as well as to create an awareness and educate the public on kidney disease. We want everyone to come forward to exercise, sweat and have fun!

Every registered participant will received a T-SHIRT
