Kopple, Professor Emeritus at David Gedden UCLA School of Medicine; Goh Seng Chuan, vice-chairman of board of directors of NKF; and Dr Zulfitri Azian May Daud, senior lecturer, Universiti Putra Malaysia.

FURTHERING RENAL EDUCATION

THE National Kidney Foundation of Malaysia recently hosted the 4th Renal Nutrition Seminar in collaboration with the International Federation of Kidney Foundation to develop and promote a continuous education programme to further the renal nutrition education of dietitians, doctors and other healthcare professionals. The 200 participants came from Malaysia, Indonesia, Brunei and Singapore.
