

# Sunway Medical Centre Donates to National Kidney Foundation

L-R: Datin Shobana Kamalanathan (Head of Branding, Communications & Fundraising, NKF), Chua Hong Wee (CEO, NKF), Choo Voon Chee (Acting CEO, SunMed), Nadiah Wan (Director of Business Development & Corporate Communications, SunMed).

Sunway Medical Centre (SunMed) raised RM20,736.26 from its #30DaystoHappyKidneys Challenge last year, which it proceeded to donate to the National Kidney Foundation of Malaysia (NKF). The cheque presentation was held at the NKF-Resource Centre in Petaling Jaya. The donation was presented to honour the efforts of NKF in helping kidney disease patients for almost 50 years. The funds would be used to help cover the cost of dialysis treatments for needy patients at NKF.
