

# Hampers to aid kidney patients

THE National Kidney Foundation is celebrating Chinese New Year with delectable hampers.

Beautifully decorated with a large peony and a dangling red 'auspicious knot' and tassel, and packed in a solid basket base, you can support the NKF's initiative to raise funds for 1,550 underprivileged patients in 28 dialysis centres nationwide by buying the hampers. Proceeds will go towards less fortunate patients supported by the organisation.

The tasty treats in the hampers are supplied and packaged by designer cake-maker Just Heavenly, and come in two sizes: Type A at RM258 and the more generous Type B at RM358.

The flavourful goodies in the hamper come with reduced sugar content.

Surf the NKF website [T www.nkf.org.my](http://www.nkf.org.my) and download a booking form, or get in touch with NKF via phone or email to request a soft-copy of the form.
