Golfers donate RM51,000 to kidney foundation

SHAH ALAM: Malene Insurance Brokers Sdn Bhd organised a charity golf tournament at Kota Permai Golf Club recently.

The event attracted about 27 sponsors in the insurance industry comprising insurers, adjusters, marine surveyors and reinsurance brokers.

It raised RM45,000 for the purchase of a haemodialysis machine for the National Kidney Foundation (NKF).

It also offered two hole-in-one prizes of RM3,000 each but as there was no winner, the RM6,000 was also donated to the NKF.

Its chief operating officer Chua Hong Wee and NKF Fund Raising Committee chairman Chua Yoong Seng received the donation from Malene Insurance Brokers chief operating officer Tunku Abang Faisal Amir and director Datuk Haron Salleh.
