

## **NKF LAUNCHES 'DIALYSIS AT HOME' INITIATIVE**

**PETALING JAYA:** In line with the Health Ministry's directive to encourage new kidney patients to receive peritoneal dialysis (PD) at their homes, the National Kidney Foundation (NKF) launched the "Dialysis at Home" initiative. In a recent collaboration with Lucenxia Malaysia, NKF chairman Datuk Dr Zaki Morad Mohd Zaher said the decision to fund PD patients would be more cost-effective and convenient since it is designed for use at home.
