

FREE HEALTH SCREENING

The Weld is sponsoring health screenings at the mall's Concourse Level today and tomorrow, from 10.30am to 3.30pm. Conducted by the National Kidney Foundation, the free tests include blood pressure, urine test, cholesterol, blood glucose, body mass index and counselling. Those aged 18 years and below, or those pregnant are not advised to participate. The tests will take about 25 minutes per person and results will be given on the spot. For details, call 1300-88-3110.
