## NKF GLOW RUN

THE National Kidney Foundation of Malaysia is organising a NKF Glow Run on July 20 at the Malaysia Agro Exposition Park Serdang (MAEPS) in Selangor.

The fun run aims to educate and increase public awareness on kidney disease. Proceeds from the run will be used to aid the underprivileged who suffer from end stage renal disease (ESRD) and are under NKF's care. It is one of the activities in the line-of events to mark NKF's 50th anniversary this year.

Recently, NKF organised an Open Day in conjunction with World Kidney Day 2019; its theme this year was "Kidney Health for Everyone Everywhere". Free health screenings were provided for the public including for blood pressure, blood glucose and blood cholesterol level, and counselling from NKF's health professionals.

For more information on the run or to donate to NKF, visit [www.nkf.org.my](http://www.nkf.org.my) or call 03-7954 9048.
