

*A Christmas carolling session by the Chinese Teen Force of Charis Christian Centre.*

## **SPREADING JOY**

KINDNESS goes a long way and spreading joy can surely lift spirits in times of hardship. The National Kidney Foundation of Malaysia (NKF) recently held a Christmas celebration for financially-challenged patients.

The patients were treated to a Christmas carolling session by the Chinese Teen Force of Charis Christian Centre and a dance performance by senior church members. Patients and attendees, which included volunteers, church members and NKF workers, participated in a myriad of fun activities.
