Charity run to help National Kidney Foundation

KOTA KINABALU: Le Meridien Kota Kinabalu and Marriott Hotel Kota Kinabalu recently organized a 'Road to Give 2022' 5km charity run at Perdana Park, Tanjung Aru. Both hotels joined the other Marriott International hotels in Asia Pacific for this

fund-raising initiative which is also a part of Marriott Worldwide Business Council Malaysia's effort to give back to the community.

The charity run was flagged off by Le Meridien Kota

Kinabalu general manager Suresh Ramasamy and Marriott Hotel Kota Kinabalu general manager Valentine Shieh. It was participated by nearly 100 runners comprising of associates from both hotels. All proceeds from this event will be channeled to the National Kidney Foundation.

Since its inauguration in 2014, the Road to Give initiative was formerly known as Run to Give and has been an integral

part of Marriott International's tradition in cultivating a people first environment that promotes well-being and drives its people to care for the communities where they do business.

Marriott International aims to continue creating a lasting positive impact on the local communities it serves, guided by its social impact and sustainability platform, Serve 360: Doing Good in Every Direction.
