

## National Kidney Foundation (NKF) Grant 2023

### EXPRESSION OF INTEREST (EOI) NKF GRANT APPLICATION

Please ensure to read and comprehend the NKF grant guideline before submission. The downloaded EOI template should be completed and submitted in a PDF file. The file should be named in the format of *NKF-Name of Project Leader-Institution/Company-Year of Application*.

**Project Title:**

**Project Duration:**

\_\_\_\_\_ months

**Research Team Members:**

1. Lead Researcher (organisation) & Role:
2. Co-researcher 1 (organisation) & Role:
3. Co-researcher 2 (organisation) & Role:
4. Co-researcher 3 (organisation) & Role:
5. Co-researcher 4 (organisation) & Role:

**Priority Areas of Research**

*(Please tick one (1) priority area most relevant to your research proposal)*

Clinical  
Health system  
Health social science/behavioral  
Health management  
Health policy research  
Public health/epidemiology  
Digital technology

**Research Outcomes**

*(Please tick the research outcome(s) most relevant to your proposal)*

- **Patient Safety:** To develop systems that prevent errors from occurring and/or prevent medical errors from reaching the patient
- **Effectiveness:** To enhance treatment that will increase the likelihood of desired health outcomes

- **Timeliness:** To aid in meeting the needs of patients in a timely manner
- **Patient-Centred:** To identify patient's needs, values, and preferences to provide high-quality care
- **Efficiency:** To identify waste and inefficiency in the provision of health care services and eliminate them
- **Equity:** To services that will benefit all people, especially among B40 and M40

**1. Summary of Research Project**

*(Please provide a summary of your proposed work in 300 - 400 words)*

**2. Purpose of Research**

*(Please justify the rationale/objectives and need for your proposed research in 400-500 words)*

**3. Expected outcome/impact**

*(Please describe how the proposed work benefits the patients, industry, academia, government and/or environment in 400-500 words)*

**4. Expected output/deliverables**

*(Please indicate the expected output and deliverables for this project. For applicants from academic institutions, at least one (1) peer-reviewed publication in a high-impact journal must be produced. For private sectors/non-academic institutions, other forms of dissemination of output and acknowledgement must be proposed).*

**5. Project timeline**

*(Please indicate the project timelines)*

**6. Budget**

*(Please provide the breakdown of the expenditures with justification. For equipment, please clearly indicate the model).*

<b>Category</b>	<b>Details</b>	<b>Year 1 (RM)</b>	<b>Year 2 (RM)</b>
<b>Manpower</b> (Research assistant/officer only)			
<b>Local travelling, conferences &amp; training</b> <i>(no more than 20%)</i>			
<b>Research materials &amp; consumables</b>			
<b>Professional services</b> <i>(eg. Consultancy, data analysis, honorarium or</i>			

<i>any services that are directly related to the research)</i>			
<b>Special equipment and accessories</b> <i>(no more than 30%)</i>			
<b>Publication/Dissertation of research result</b>
