Cyberjaya College Kuching Open Day

IN a proactive move to promote health awareness and accessibility to healthcare services, Cyberjaya College Kuching is proud to announce its Open Day on the 20 April 2024, featuring complimentary health checkups for all attendees.

Recognising the importance of regular health screenings, the college aims to encourage Malaysians, especially in Kuching, to prioritise their well-being through early detection and prevention of various health conditions.

Regular health checkups are paramount for identifying potential health issues at an early stage and facilitating timely intervention and treatment.

Despite their significance, there remains a need to enhance awareness and accessibility to such screenings.

Cyberjaya College Kuching is stepping up to address this gap

DOREEN TAN

by offering a range of screenings, including general health assessments, dental checkups, women's health screenings, and blood donation drives.
