* Limited slots, on a first come first serve basis.
Age 18 and above only.

Avaland Bhd is collaborating with the National Kidney Foundation (NKF) Malaysia to provide complimentary health screenings this Saturday. The screening will include advice on healthy habits and a gift for every participant. For children, a colouring session awaits them to bring about a world of imagination and creativity for the day. Slots are limited so drop by early at the Avaland Gallery from 10am to 1pm for the free screening.
